*21st is fine, and the most likely date. But if 20th opens up it would be that much more insurance for sunshine. No problem - after a month, if 20th hasn't opened up, we confirm 21. At that time, I'd like to be able to tell Gov our "tentative" (= probable) day's schedule.*

Charlie T. agrees to chair, nominally. I take that to mean he expects other people will share the work.

The Honorable Daniel J. Evans  
Governor, State of Washington  
Legislative Building  
Olympia, Washington 98504

Dear Governor Evans:

Would you consent to be the principal speaker at the dedication of the college and the inauguration of its first president? Mrs. Seering has told me that April 21 is open; April 28 would be even better. We shall hold both days until we hear which you would definitely prefer.

It would give all here great pleasure if you would accept. There's no one else whom all would consider as right as you for the occasion.

Sincerely,

Charles J. McCann  
President
