SPECIAL NOTICES OF IMPORTANCE

Three October 24 events that were scheduled to take place at the Evergreen waterfront property—boat rentals, Mr. Danger Fishing Derby, and beach walk—all have been cancelled for ecological reasons. The beach needs protection from heavy traffic until proper studies can be made to determine which areas can be used for recreational purposes. The ecosystem of the beach is fragile so your cooperation and patience are requested until some proper designations for recreational use can be made. Otherwise, we stand the chance of ruining one of the most beautiful, valuable and educationally important parts of the campus.

A reminder that all staff, faculty, students, spouses are urged to attend the general orientation reception from 2:00 - 5:00 p.m., Sunday, October 24 in the first floor lobby and fourth floor food services area of the library building. PLEASE COME!

Chess, checkers and cards play scheduled all day Saturday, October 23 at the beginning of orientation activities, will be held in the Food Services area on the fourth floor of the library building rather than in the ground floor lobby.

Finally, some notes about special attention being paid to Evergreen:

Sunday, October 24 — Seattle Post Intelligencer publishes special section on TESC.
