HAVE A GOOD SUMMER
SEE YOU IN SEPTEMBER!!
HOUSING OFFICER, DIRECTOR OF ADMISSIONS NAMED

Two new administrative appointments were announced this week. Ken Jacob, director of residence halls for the University of Washington since 1970, has been named housing officer, and Kenneth B. Mayer, currently director of admissions for Pacific University at Forest Grove, Oregon, has been named to a similar post at Evergreen.

Jacob, 34, has worked in the University's residence halls programs since 1964. An army veteran, he has also worked as a student loan officer at Oregon State University and as a graduate assistant in the OSU Dean of Men's Office. He received his doctorate in applied behavioral science from Union Graduate School, Yellow Spring, Ohio, and both his bachelor's and master's degrees from OSU. He will replace Kathy Williams, who is leaving Evergreen today for her new home in San Francisco, where she plans to be married September 9 to Michael Kyte, a consulting engineer in transportation.

Mayer, a graduate of the University of California at Berkeley, has served as admissions director at Pacific University for the past two years. He has also served as Pacific's associate dean of admissions and as a high school counselor, a curriculum assistant to a California high school principal and as a high school teacher.

Four other administrative posts --- Registrar, Director of Development, Legislative Liaison Officer and Dean of Library Services --- are expected to be filled within the next few months.

DANCERS IN MOTION FRIDAY

Thirty student dancers will present two performances of "Dancing in Motion," today at 2 and 7 p.m. in the multipurpose room of the College Recreation Center. Admission is free. The performances will be under the direction of Faculty Member Bud Johanson, and will culminate the students' summer workshop in dance. Ballet, character, modern, and jazz dances will be featured.

TACOMA FIRM WINS LABORATORY CONTRACT

Jones and Roberts Company of Tacoma has submitted the apparent low bid of $3,525,000 for construction of the second phase of the Laboratory Building. The 81,000-square-foot, three-story structure will be a near replica of and will attach to the first phase of the Lab building, which opened earlier this year. The new building --- like the one now in use --- will include conference and classrooms, faculty offices and laboratories for the arts and sciences. Work on the structure is scheduled to begin immediately and is expected to be completed by mid-1975.

LIBRARY HOURS CHANGING

The Evergreen library will only be open from 8 a.m. to 5 p.m. next week, and will be closed to public access for the following two weeks (September 5-14), according to Dave Carnahan, associate dean of library services. The two-week closure will enable the library staff to work on collection verification and on what Carnahan describes as "some rather large filing functions." The library will be open for public use again September 17 on an 8 a.m.-to-5 p.m. schedule.

...CO-OP CATALOG PUBLISHED...A new catalog of more than 320 student internships available through Evergreen's Office of Cooperative Education was published earlier this month. Co-op Director Ken Donohue says the catalog of credit-earning on-the-job experience includes internships from throughout the state of Washington, as well as work and study opportunities in Oregon, British Columbia, California, Kansas, Missouri, Vermont, Colorado, Illinois, New York, and Washington, D.C. The 59-page publication is designed as a guide for both students and faculty in identifying study needs and objectives, identifying potential employers, and for planning aspects of programs which will include internships. The new catalog covers 13 internship categories. Copies are available in Room 1000 of the Laboratory Building.

...NEW FACULTY NAMED...Two artists and a French language instructor have been appointed to Evergreen's faculty, effective September 15. The new instructors are Susan Brenner, currently a painting, drawing, and photography teacher in San Francisco; Marilyn Frasca, presently an Assistant Professor of Art at New England College, New Hampshire; and Susan Fiksdal of Olympia, who has been a part-time consultant in French language at Evergreen during the past year. The appointments bring to 12 the number of new faculty members hired for the 1973-74 academic year.

...OPEN HOUSE SCHEDULED...Evergreen will open its doors to residents of surrounding communities during a campus-wide Open House, scheduled for 1:00 to 4:00 p.m., Sunday, September 30. The day's activities will include campus tours, musical entertainment, and the serving of refreshments in the main lobby of the library building. Most campus offices and many service areas will be open that day. Anyone wishing to volunteer as an Open House host or hostess is asked to contact Dick Nichols, Office of College Relations, who is coordinating the event. Lots of help is needed. The Open House will conclude a full week of orientation activities at Evergreen and will proceed the formal opening of Fall Quarter, October 1.

...PARKWAY NEARS COMPLETION...State Highways Department District Engineer Bill Korf reports that work on the Evergreen Parkway, which will link the southern edge of the campus with the Olympia-Aberdeen Freeway, is progressing on schedule and should be finished around the start of Fall Quarter. Korf says that paving work should be finished early in September, with signing, illumination, and traffic control devices to be installed afterward. Meanwhile, Evergreen has received a bid of $66,990 from Pacific Sand and Gravel Company of Lacey for final asphalt paving and shoulder treatment of the southern on-campus section of the Parkway. When the college and state contracts have been completed, the new roadway will be ready for travel.

...MIRRORS ON DISPLAY...A collection of mirrors, all hand-decorated by artist Peggy Rosenblum of Portland, is now on display in the second floor reference section of the Evergreen Library and may be viewed through August. The mirrors—of various sizes and shapes—range in style from ornate to plain and all have been embellished with beads, woven materials, and other fabrics. The exhibit was arranged by Faculty Member Kirk Thompson.
ATTENTION, PLEASE FOR THIS IMPORTANT WORD FROM THE LIBRARY FOLKS:

All books and other materials which students, staff, and faculty have checked out through the library circulation desk should be returned or renewed by August 22. You can return or renew these materials in person at the circulation desk or by dialing 866-6250.

Meanwhile, Media Loan wants all of its equipment returned by August 22 so that it can be cleaned, checked, and inventoried for Fall Quarter use.

And one more thing...The Correspondents, a women's readers group, will perform Monday, August 6 at 8 p.m. at the Women's Center of the Olympia YWCA. The 50c donation goes toward the Women's Center.
...JOE WHITE NAMED AFFIRMATIVE ACTION OFFICER...W. Joe White, a Seattle regional employment consultant for the United States Civil Service, has been named to the newly created position of Affirmative Action Officer at Evergreen. The appointment is effective immediately. White, 28, will be responsible for developing, implementing and monitoring Evergreen's affirmative action plan for the recruitment, employment and advancement of minorities and women and will report directly to President Charles J. McCann.

A graduate of Tuskegee Institute with a bachelor of science in business administration, White has worked as a project coordinator of the Staff Development in Adult Corrections Project for the Department of Social and Health Services, and as a supervisory training officer for the Public Service Careers Project for the State Department of Personnel.

...BUDGET ANALYST IS A TACOMAN...Donald G. Meyer, assistant manager of Irwin Concrete, Incorporated of Tacoma, has been named Evergreen budget analyst. The appointment, effective August 20, carries with it prime responsibility for building the college's biennial budget and helping all budget unit heads on fiscal matters. A graduate of Pacific Lutheran University, Meyer, 29, has a master's degree in business administration from the University of South Dakota. He has worked for the Irwin Concrete firm since August of 1971.

...PERRIN SMITH RESIGNS...Perrin Smith, director of Admissions and Records, is off to the University of Redlands the middle of August. Smith, who has been with the college since 1970, said he will be returning to a traditional college setting which is within a hundred miles of his three older children. His duties will temporarily be divided between Laura Thomas, who will serve as acting head of records, and Sally Hunter, acting head of registration. Vice President and Provost Ed Kormondy said he will have launched a search for a new director of admissions and records by today.

...ARTISTS INVITED TO DESIGN EVERGREEN SCULPTURE...Washington artists have been invited to submit entries to Evergreen's three-dimensional design competition which college officials hope will result in installation of a completed sculpture on campus by October 30. Deadline for the contest, sponsored jointly by Evergreen and the Washington State Arts Commission, is August 15, according to Doug Barnes, student chairman of the Visual Environment Board.

Proposals for the sculpture must be "designed specifically to enhance the campus and the entire Evergreen environment," Barnes said. Artists will be required to construct the artwork on campus with the assistance of students, staff and volunteers, and must be willing to have the process of construction videotaped for Evergreen's archives.

...EVERGREENERS IN THE NEWS...Dennis Krueger, a recent Evergreen graduate, has been hired as assistant librarian at the Walla Walla State Penitentiary. Krueger was previously employed in the Thurston-Mason County Crisis Clinic and concentrated in counseling and psychology while at Evergreen. Dorothy Briscoe, chief of library user services, has announced her resignation effective the end of August. She plans to move to Houston, Texas where she will be co-owner of a bookstore. President Charles J. McCann skippered his 35-foot sailing vessel to first place in the 500-mile Seamount Cobb Sailing classic last weekend. Faculty Member Beryl Crowe served as one of McCann's first mates for the race, which called for ships to sail out of Port Angeles 250 miles and back. John Ancock, a June graduate, has announced his candidacy for the mayor of Auburn. The 27-year-old student was enrolled in the Urban Planning group contract last year. Director of Information Services Dick Nichols has refiled for his city council position in Tumwater. Frankie Foster, a Bellevue student, has won first prize in the adult division of the Bellevue American's photography contest. President McCann has named Helen Spears, special projects and reports accountant, to serve as Evergreen's forms management representative in compliance with new laws passed by the State Legislature. Bea Rockwell, accountant, has been put in charge of payroll. She has been working in the accounts payable section of the purchasing office. And, Keita Lane, an Olympia woman, has been named an accounting assistant.

...STUDENTS HELPING TUMWATER DEVELOP PARK PLAN...The City of Tumwater has never had a comprehensive park and recreation plan. Now, thanks to the combined efforts of the city and two Evergreen students, such a plan is fast becoming a reality. The students---Jan Rensel, a St. Placid High School graduate, and Peter May, a New Yorker---are spending the summer helping draft a comprehensive park plan which will become the focus of a projected six-year recreational capital improvement program. Tumwater City Planner-Administrator Paul DeBonney said the Evergreen duo is working full time in conjunction with city staff and the Park Board gathering data, updating maps and identifying the city's needs for parks and recreation.

...STAFF ARCHITECT, TWO NEW FACULTY JOIN EVERGREEN TEAM...Roger J. Stewart of Tacoma joined the Evergreen team as a staff architect this week, and Provost Ed Kormondy announced the appointment of two new faculty members---Margaret Gribskov, a journalist, and Henry "Hap" Freund, an attorney. Stewart, 49, has served as an architect for the State Division of Engineering and Architecture in Olympia. Prior to that he spent 12 years as a member of the Jensen and Stewart Architectural Firm in Tacoma.

Ms. Gribskov is currently an instructor at the University of Oregon. A former newspaper reporter, she received her doctorate in education from the University of Oregon earlier this month. Freund, a graduate of the Washington University School of Law in St. Louis, has worked two years for the St. Louis Legal Aid Society and is now a member of a law partnership.

NOTE: This publication—a joint effort of the Offices of Recreation/ Campus Activities and College Relations—will be issued on Fridays during Summer Quarter as a means of alerting Evergreeners to some of the special things happening on campus during the "quiet months". We hope you will take advantage of the activities.

AND, A SPECIAL "WELCOME ABOARD" TO ALL THE STUDENTS WHO ARE AT EVERGREEN FOR THE FIRST TIME!

Monday, June 25:

Orientation: 10 a.m.-2:00 p.m., outside main entry (weather permitting). Time to meet people, pick up materials, discover the locations of the restrooms, test the winds, and be told hello in Evergreen style.

Activities Forum: 2:00 to 3:00 p.m. (or so), second floor library lobby (we use it for everything around here). A chance to meet with the Recreation and Campus Activities staffs and raise your voice in support of things you'd like to see done during the quarter.

Dance: 9:00 p.m. to midnight, either on main campus plaza (lovingly? known as Red Square) or inside the library in the lobby area (we use it for everything!), depending on the vagaries of the weather. FREE.

Thursday, June 28:

Film: Fellini's "Juliet of the Spirits". Two showings, 7:00 and 9:30 p.m., Lecture Hall One (the one with the gold-colored doors and chairs). FREE.

THAT'S ALL FOLKS!!! (For this week anyway)
