PEFFER TO DIRECT COUNSELING; ELDRIDGE NAMED PRESIDENT'S ASSISTANT

Counselor Lou-Ellen Peffer and Director of Financial Aid and Placement Les Eldridge have been named to new positions on the Evergreen team. As of August 1, Peffer will assume directorship of Counseling Services, while Eldridge will become President Charles J. McCann's assistant about the first of September.

Peffer, formerly director of resident activities, joined Evergreen's staff in 1971 to serve in the Learning Resources Center. As director of counseling services, she will assume the position currently held by Le Roi Smith. Smith will rotate into her position as a professional counselor.

Eldridge, who has directed the Financial Aid and Placement Office since 1971, will assume responsibility for coordinating Evergreen's relations and plans with various local and state governmental agencies, the Legislature, the Council on Higher Education and other institutions of higher learning. He replaces James Sainsbury who resigned to accept a position with the Office of Public Instruction.

MCLANE OFFICIALS ANNOUNCE NEW TESTING SCHEDULE

McLane Fire Department officials issued a brief apology this week for "all those horns, buzzers and bells" that keep going off at odd times. The noises, it seems, are the results of tests which must be made on the fire alarm reporting system once a month. As of August 1, however, the monthly tests will be conducted on the first Monday of each month. So, you can brace yourself a bit ahead of time....another thing to look forward to on Monday mornings...
