

ORIENTATION PROGRESS REPORT & THINGS TO DO

September 16, 1971

(Random Listing)

1. I have talked to Norm Johnson regarding the library facilities and he has assured me that they will be ready for our use by October 23.
2. Gerald Burke is still concerned about the amount of housing that will be available as of Saturday, October 23 and this should be discussed at the Monday meeting.
3. John Finley will be meeting with his DTF on student fees today, (Monday, September 20) and will report back to us immediately regarding the use of student funds for orientation activities.
4. The breakdown of students moving into the Olympia community is as follows (rough estimate):

Monday, September 27 through Sunday, October 3	0
Monday, October 4 through Sunday, October 10	200 - 250
Monday, October 11 through Sunday, October 17	320 - 550
Monday, October 18 through Sunday, October 24	480 - 700

We may want to take these figures into account in the dispersment of information and correspondence on orientation. Attached is a list of community and campus groups which should be contacted immediately for participation in the People's Fair.- 5.

6. Bill Kenworthy will arrange to have a refreshment stand in the area set up for the People's Fair.
7. We need to contact someone for the design and construction of a mobile events booth.
8. Paul Zimmerman has a plan of activities that might be used either Sunday, October 24 or Saturday, October 30--present preference is Sunday, October 24.
9. Dick Nichols has contacted businessmen within the community to change the date of Community Day to October 30.
10. We need to prepare a mailing to be sent to students by Monday, September 27 describing the details of orientation.
11. Attached is a new rough of a model for the first week's activities and a list of people responsible for specific tasks. We may wish to add others who will assist to this list.
