No. 202

## QUESTIONNAIRE REGARDING LONG RANGE SPACE PLANNING

Dear Student:

The Long Range Space Planning DTF needs your responses to the questions listed below so that it can make recommendations on long range use of space. We apologize for this type of survey form, but we need as much information from you as is possible. Please take a few minutes and complete this form. ANSWER EACH QUESTION. We appreciate your cooperation. PLEASE RETURN TO YOUR SPONSOR OR PROGRAM SECRETARY.

 As far as you know, does your program/group contract have adequate space for its activities? If not, explain the problems as you understand them.

2. Does your program/group contract have seminar or lab space which is not shared with another program or group contract (home turf)?

 If your program/group contract has home turf, could it be shared without affecting you and others in your program? If no, explain. 4. If your program/group contract does share space with other programs are there particular problems you are aware of?

5. Do you use special areas, e.g., darkrooms, art or science labs, etc.? If yes, is the space adequate?

rance can of source. We appliedize for alias type of survey form, but we need as such information from you on its provided Paul Paul Callein

6. Does your program/group contract conduct any activities (lectures, seminars, workshops, etc.) during evenings or on weekends? If no, would you like to see this happen?

7. In your opinion, should all programs/group contracts have some home turf? Space Questionnaire Page three

8. Does your program/group contract use lounge space for some of its activities? If yes, are there particular problems you are aware of?
