Minutes of the Environmental Advisory Committee
Meeting of January 7, 1976

Committee members attending:

Anne Alderson, Frank Motley, Bill Knauss

New EAC members

The EAC discussed the names of faculty and staff who had responded to the Committee's call for volunteers to fill Pete Taylor's and Les Eldridge's positions, which were vacated at the end of last quarter. A memo will be sent to Administrative Vice-President Clabaugh, asking him to approve the nominations of Bill Kennedy (staff) and Dave Milne (faculty).

New driveway at Organic Farm

The EAC will inspect the site of the proposed driveway to the Organic Farm on Wednesday, January 14. Members (and anyone else interested) are reminded to meet at Bill Knauss' office (1263 in the Lab Building, Phase II; Facilities has moved here from their posh quarters in the 201 building) at 1:00 p.m.

Herman Memorial Snag

The Committee will hold an all-campus hearing on the issue of removal of the Herman Memorial Snag at 10:00 a.m. in L3319 on Wednesday, the 14th. Anne informed the College Relations Office and an announcement should appear in the next Happenings.

New chairperson

The EAC temporarily took leave of its collective senses and chose Chuck Albertson as its new chairperson, replacing Spider Burbank (whose term has expired). When informed of this move, Chuck's first official act was to volunteer Anne, Frank, and Bill to catch the Herman Memorial Snag, should it have to be felled.

The next meeting of the EAC will be on Wednesday, January 14, at 9:30 a.m. in L3319.
