

Minutes of the Environmental Advisory Committee

Aborted Meeting of January 21, 1976

Committee members attending:

Chuck Albertson (chairperson), Frank Motley, Anne Alderson, Frank Motley

Due to the rather sparse turnout at this week's meeting, any and all business was postponed until the next meeting which, due to program commitments, I have scheduled for Wednesday, January 28, at 1:00 p.m. in L3319. Beginning with this meeting, all absent members will be penalized two laps around parking lot 'B' or 50 push-ups, your choice. Unless you bring a note, of course.

In a more serious vein, I would like to discuss the question of a quorum being necessary for EAC meetings at the next meeting. Neither the guidelines drawn up last year or COG deal with this issue, and I would like to hear what people think of it.
