on these points, though felt that a full EIS would probably not be re-
guired.

The Committee requested more information for the future use of the farm. The Committee requested the area to be cleared, the number of trees and bushes, followed by a clearance report of the area. The Committee inspected the area at the Organic Farm. It would require the removal of a number of trees and bushes. Molly Stuart and RobertMULTIVER presented their proposal to enlarge the pasture.

Actions on Master Planning to be presented to the Trustees on Thursday.

Richard distributed copies of a memo from Dean Chabaux regarding this recommended Farm Committee.
