

October 1, 1975

Environmental Advisory Committee (EAC) meeting

Committee members attending:

Richard Cellarius (chairman), Chuck Albertson, William Knauss, Spider Burbank, Frank Motley, Sue Hanson, Peter Taylor.

Others:

Jerry Cook, Molly Stuart, Robert Mulliner, Ralph Allen, Jani Stonington, Laura Panter, Kenneth Waits, Pete Steilberg.

EAC appointees for fall quarter

Richard Cellarius reported that Dean Clabaugh has designated the following persons: Chuck Albertson, Drew Carey (who is not at TESC this quarter, so needs replacement), Les Eldridge (or Sue Hanson, alternate), Jeanne Hahn, William Knauss, Frank Motley, and Peter Taylor. Richard requested that Spider Burbank and Ann Alderson be added. Terms expire for Liz Keeney and Richard Cellarius.

Organic farm land clearing proposal

A written description of the proposed tree and brush removal, prepared by Molly Stuart and Robert Mulliner, was discussed with the authors. Pete Taylor moved that the EAC recommend approval to the responsible administrator (Jerry Cook, Jerry Schillinger, or Dean Clabaugh) with the condition that the project be widely publicized (for example, in the Cooper Point Journal or Happenings) and one week allowed for response before work is begun. Chuck Albertson seconded. EAC voted affirmative.

Habitation on campus--Dean Clabaugh's draft of policy--9/8/75

Environmental implications and other issues were discussed, including the fact that a few students now live in improvised camper-vehicles in the dorm parking lot. Members of the EAC tended to feel that this is acceptable if permission is granted and wastes are not disposed on the grounds (woods, landscaped areas, or pavement). The EAC agreed with changes of the draft, which Richard will convey with the sense of our discussion to Dean Clabaugh.

Election of chairperson for fall quarter

Spider Burbank will be the chairman.

Meetings will generally be weekly, or less frequently if business falls off, 2:00 p.m. on Wednesdays, probably in the Library Conference Room. Next meeting will be October 8.
