

Randy Capoeman

Thunderbird and Whale

Randy really liked the Japanese cedar bark paper and wanted to do a whole edition using it. So the 1992 Thunderbird design was modified and a third color introduced to brighten the design on the darker paper. Thunderbird and Whale was the result.

Certificate of Authenticity

This print is a limited edition serigraph. Working with Randy's original cut rubylith stencils, I added a stencil for the third color in Thunderbird and Whale. The colors are then hand-printed onto archival paper. This print is one in an edition of 90 printed on Sugikawashi Cedar Bark paper. In addition, 9 artists proofs and 3 printers proofs were printed on Sugikakwashi Cedar Bark paper for a total of 12 proofs. The paper size is 12" W. x 18.5" H. The image size is 10" W. x 12" H. The colors used were black, blue, and red.

This edition was printed by Paul Nicholson of Bellevue, WA in 2000 with the assistance of the artist, Randy Capoeman.
