

Erik Hudson

Standing Tall

Artist's Statement

The heron is a messenger of wisdom, ambiguously living between the earth, water, and sky realm. He holds one leg upright, maintaining a balance, becoming known as a present moment icon. Instead of disturbing the peace, the heron patiently waits, knowing that opportunity will arise. The heron brings tranquility and resourcefulness and reminds us that we are independently important to our surrounding environment.

Certificate of Authenticity

This print is a limited edition original serigraph. Using a vectorization of Erik's original drawings, film stencils were created for the two colors of the print. Two variations of this print were printed; one of an edition of 125 hand printed on Arches Cover Cream using colors black and red. The other variation was an edition of 25 on Arches Cover Cream using colors black and blue.

In addition, 3 printers proofs and several artists proofs of each color variation were printed on Arches Cover Cream. The paper size of the Arches is 14 inches wide and 22 inches tall. The image size is 10 inches wide and 18 inches tall.

This edition was printed by Paul Nicholson of Bellevue, WA in 2015 with the assistance of the artist, Erik Hudson.
