

- P-4 Except when specifically allowed by the permit, tank mixes of different chemicals may not be applied to the same water column.
- P-5 When the EPA label or Ecology Order restricts human consumption of fish, any posted signs or other forms of notification shall explicitly state that restriction. Do not state or imply the lake is closed to fishing unless the Department of Fish & Wildlife has closed the lake.
- P-6 Warning signs shall be posted in English and the language commonly spoken by the community who use the area.
- P-7 The applicator shall obtain advance written approval from the appropriate Ecology regional office before making variations to the posting and notification procedures listed in this Order. Refer to Condition G-3 for regional telephone numbers.

The applicator and any person applying aquatic pesticides who fails to comply with this Order may result in the issuance of civil penalties or other actions, whether administrative or judicial, to enforce the terms of this Order.

This Order may be appealed. Your appeal must be filed with the Pollution Control Hearings Board, P.O. Box 40903, Olympia, Washington 98504-0903 within thirty (30) days of your receipt of this Order. At the same time, copies of your appeal must also be served on the Department of Ecology, Fiscal Office, P.O. Box 47615, Olympia, Washington 98504-7615; and to the Department of Ecology, Water Quality Program, Southwest Regional Office, P.O. Box 47775, Olympia, Washington 98504-7775. A copy of any appeal must also be sent to all parties named on the Order. The notice of appeal shall contain a copy of the order or decision appealed from, and if the order or decision followed an application, a copy of the application.

Your appeal alone will not stay the effectiveness of this Order. Stay requests must be submitted in accordance with RCW 43.21B.320. These procedures are consistent with Chapter 43.21B RCW.

DATED this 3rd day of July, 2001, at Olympia, Washington.

Kelly Susewind, P.E.
Southwest Region Manager
Water Quality Program
