Monday:
OOP lecture (see Sherri's web site)

OOAD for lecture, re-read Ch. 5

1-3 Workshop will meet in the ACC.

Tuesday:
10-12 - OOP Lab as per usual
1-3 Workshop on Grant Writing.   Lab I 1047

Read and bring questions about Project Notebook outline, which you can find on the program web page
http://academic.evergreen.edu/curricular/sos/assignments.asp

Wednesday:
OOP lecture (see Sherri's web site)
OOAD Read Ch. 11

Thursday:
Seminar

1. Chapter 4 State, in Smalltalk Best Practices
2. About Agile Development : read the Manifesto, Cover article in *Software Development* magazine,
August 2001, by Jim Highsmith and Martin Fowler (and others). see also Fowler's The New
Methodology http://www.martinfowler.com/articles/newMethodology.html

You can supposedly get to the Manifesto from www.agileAlliance.org .... but might have more luck (if
you're willing to sign up for a user id for *Software Development*. It was the cover article in *Software
Development* magazine, August 2001 which you can get to by following links from
http://www.jimhighsmith.com/pubs.html . Look for "Agile Manifesto" in the section: Publications by
Jim Highsmith http://www.sdmagazine.com/documents/s=844/sdm0108a/0108a.htm

---

Due Monday November 17, by 11am (in class)

Your OOAD (pair) EU-Lease Notebook. This should include the entire UML specification for EU-Lease,
i.e., all your homework for the quarter, revised if you wish, along with any additional material you think
is needed for the implementation to begin.
