WHILE YOU ARE AWAY....

You have affiliated with a new peer/critique group. You are responsible for each other during the period that the entire program will be on location. That means that if one member of you group fails to post a blog and has not let your group know that they may be "off the grid" or on a different schedule, you should worry. At the very least please exchange contact numbers where you can be reached between March 23 and April 17. You should be posting comments on your group members' blogs during this period. Also, let folks know if you have any times that this will be difficult.

PRODUCTION BLOG: ON LOCATION AND BEYOND

- A) On Location Blog: Minimum 3 posts per week on location (spring break week, wk 1 and wk 2).
- B) <u>Post-Production Blog</u>: Minimum once weekly Week 3 through Week 10. Feel free to update us as frequently as you desire. Remember you can post words as well as pictures.

<u>What to write:</u> Keep track of your activities, write about questions that may arise or things that you've learned, develop solutions to problems, explore new ideas that you may get as a result of your work, and respond to issues raised in your critique group raise as you and your peers view work-in-progress.

You will be required to <u>READ your CRITIQUE group members</u> (at a minimum) blogs and post weekly comments on their progress, beyond the customary "way to go!"

WHEN YOU RETURN....

OUR FIRST CLASS IS TUESDAY, APRIL 18 AT 10:00 AM IN SEM. 2 C1105 You must be in attendance to continue in the Mediaworks program.

At this first class you will be asked to give the whole program a 5 min. progress report of your project work to that date. No visual material (we don't really have adequate time for this and will get to your rushes beginning on Thursday of Week 3). Just give us an oral report about your work; please plan this carefully. Don't ad lib these!
