Why did you decide to take this program?

Are you new to Evergreen? If so, why did you choose to come to the college?

If you are a transfer student, what was your major area of study? Where did you do your previous work?

What other programs/classes have you taken at Evergreen?

What is your major area of academic interest?

What other kinds of things are you most interested in exploring?

Do you have any special needs or challenges that we should know about, so that you can work to your full potential?

How would you rate your experience and comfort with critical/analytical writing?

Have you ever used the Writing Center at the college?

To work on the conventions of academic writing?

To work on skills like writing structure/ thesis development?

To work on grammar and syntax?

Are you working to fulfill any requirements for graduate or professional work? If so, what are they?

Is there some specific area upon which you'll be focusing this quarter? Some skill you want to work on? If so, what is it?

What are your goals for this program — what do you most want to learn?
