Dear Charlie:

Speaking for all the Trustees, this is to say "thank you" for all you did in putting on our Dedication-Inauguration Ceremony and attendant performances. I know what subtle leadership you had to employ from your first meeting with students to the encounter with the wooden-gun youths.

I have heard many comments on the originality of the concept and the precision with which it went off. Please extend our thanks to those who worked with you.

Our congratulations and hearty thanks!

Sincerely,

Mrs. Neal Tourtellotte
Chairman
Board of Trustees
