The Master in Environmental Studies Graduate Student Association's Rachel Carson Forum Presents
THE FUEL FILM

"Fuel" is a vital, superbly assembled documentary that presents an insightful overview of America's troubled relationship with oil and how alternative and sustainable energies can reduce our country's -- and the world's -- addictive dependence on fossil fuels. TUESDAY, MAY 5th Doors at 6, Film at 6:30

LECTURE HALL 3 on The Evergreen State College Campus

FREE! FREE! FREE!

This year **the Master in Environmental Studies Graduate Student Association's 19th Annual Rachel Carson Forum** is bringing **the FUEL Film** onto campus for a **FREE SCREENING!** This event, as usual, is **open to the public and free of charge.** The Fuel Film showed downtown earlier this year at the Capitol Theater and was well received. We've arranged to bring it here for a screening.

Please visit the film's website for more information. <http://thefueelfilm.com/>
