

The Evergreen State College thanks the community by hosting Washington's biggest one-day festival. It's also our way of celebrating the end of the school year and the coming summer. It is always a fun-filled day, complete with continuous entertainment, special events, exotic food and wonderful people. A major part of the day's festivities is the Arts and Crafts Fair, which gives 125 artists the chance to present and sell their work to members of the South Sound community.

We invite you to be a part of the SUPER SATURDAY Arts and Crafts Fair on **June 14, 2008**. Simply fill out the enclosed application and submit the full amount for your booth by March 28, 2008. Applications will be accepted until spaces are filled.

While booth spaces are assigned on a first come-first serve basis, we will make every effort to accommodate requests by returning vendors for spaces they held last year.
