SATURDAY  
at evergreen

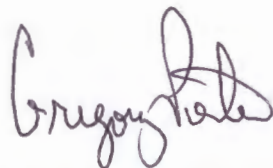

May 4, 2008

Thank you for your application to The Evergreen State College's Super Saturday event.

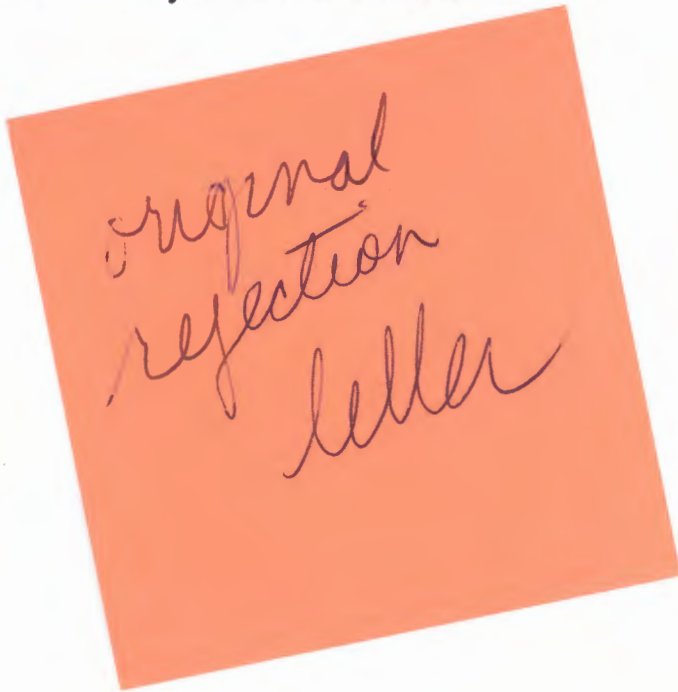

The response from the musical community was wonderful, leaving us with many bands/performers to choose from. The decisions have now been made and the schedule is set.

Although you were not chosen to participate in this year's event, we have added your information to the database. Next year you will be notified when the entertainment committee begins in search for Super Saturday 2009.

Again, thank you for your interest, and good luck with your musical career.
