Hi Dale

To be a Community Group you need to be non-profit. Contact us next year about March 1 by checking on our webpage.

You don't actually fit in Arts & Crafts.

Thank you for your interest in Super Saturday.

Linda

Requests\_Comments: Hi,

I was considering applying for a vendor table for this event, but not sure what kind of application to apply for.

I'd be representing my company - Yellow Bear Journeys (Eco-Tours).

I'd also be representing the local business group - Ecotours Northwest, which just formed. This group will probably be a non-profit in the future, but probably not before Super Saturday this year.

Thanks

Hi Tracey & Andi  
Does she fit? I would say no until they become non profit....  
Let me know your thoughts.
