## Summary Information

---

<b>Repository</b>	The Evergreen State College Archives and Special Collections
<b>Creator</b>	Academic Grants.
<b>Title</b>	Academic Affairs: Academic Grants
<b>Date [inclusive]</b>	1990-2003
<b>Extent</b>	0.25 Cubic feet 1 ltr. doc. box, 33 folders
<b>Location</b>	This collection is located in 13A5.1.
<b>Language</b>	English
<b>Summary</b>	This records group contains files of academic grants significant to the development of the college's operation, curriculum, and services between 1990-2003.

### Preferred Citation

In all cases, publication or display of our materials must carry the credit line: "From The Evergreen State College Archives". Citations of specific materials should include the accession number, provenance and series title, file folder heading (if any) followed by the specific item's identification (title or description).

## Historical Note

---

The Academic Grants office provides a variety of services to The Evergreen State College. The office coordinates the submission of all external grant requests for both the college and The Evergreen State College Foundation. It administers a variety of internal grant competitions for students, staff and faculty. And it holds responsibility for a variety of research administration functions, including human subjects research review.

---

## Scope and Contents

---

This records group currently consists of a series of Academic Grant Files containing grant applications, project narratives, award letters, and interim and final reports which document the work done under grants producing significant results for the college between 1990-2005.

---

## Arrangement

---

This records group currently contains one series: Academic Grant Files. A chronological arrangement scheme was imposed on the files during processing in the absence of a usable original order.

---

## Administrative Information

---

### Publication Information

The Evergreen State College Archives and Special Collections 2012

### Restrictions on Access

Collection is open to the public.

## **Restrictions on Use**

Duplication by the archives in no way transfers either copyright or property right, nor does it constitute permission to publish in excess of "fair use" or to display the materials.
