

# BREAKTHROUGH!

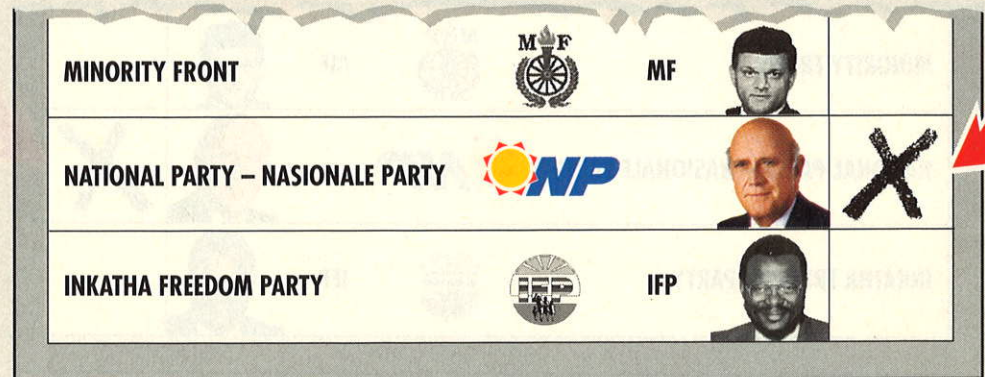

Thanks to President F W de Klerk and the National Party's perseverance and dedication, the IFP will participate in the elections. It is a dramatic and unexpected breakthrough.

President F W de Klerk and the National Party have:

- put the country's interest above that of party politics;
- succeeded in what international mediators could not achieve;
- laid a sound basis for peace and reconciliation – not only in KwaZulu/Natal, but in the entire South Africa;
- further broadened the democracy;
- positively influenced international investors' confidence;
- again proved that negotiations are the only workable option to solve differences.

This was achieved for you – the voter of South Africa – on the initiative and under the leadership of President F W de Klerk and the National Party!

**One result is that the position of the National Party on the ballot paper has changed. We are now second from the bottom. Therefore ensure that you put your cross at the correct place: next to the National Party and President F W de Klerk.**

We've *again* made the change.

# DEURBRAAK!

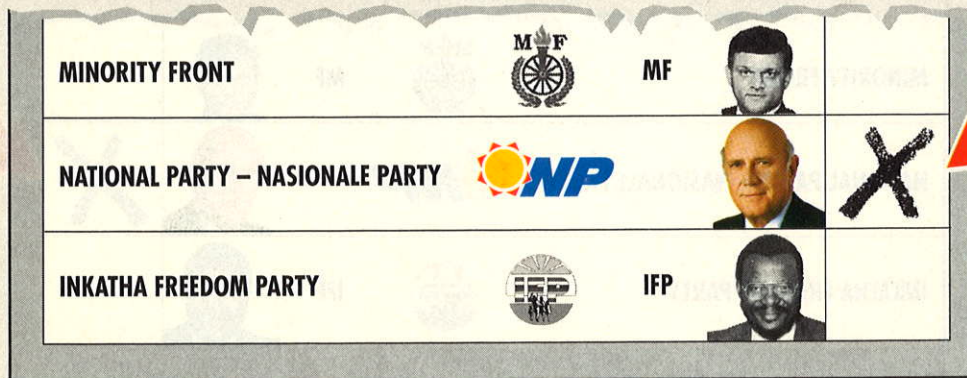

Danksy President FW de Klerk en die Nasionale Party se onvermoëde deursettingsvermoë, sal die IVP aan die verkiesing deelneem. Dit is 'n dramatiese en onverwagte deurbraak.

President FW de Klerk en die Nasionale Party het

- landsbelang bo partypolitieke belang geplaas;
- reggekry wat internasionale bemiddelaars nie kon regkry nie;
- 'n stewige basis vir vrede en versoening gelê – nie net in KwaZulu/Natal nie, maar in die hele Suid-Afrika;
- die demokrasie nog verder verbreed;
- internasionale beleggersvertroue positief beïnvloed;
- weer bewys dat onderhandelinge die enigste werkbare opsie is om verskille by te lê.

Dit is gedoen vir u – die kieser van Suid-Afrika – op inisiatief en onder leiding van President FW de Klerk en die Nasionale Party!

**Een gevolg is dat die Nasionale Party se posisie op die stembrief verander het. Ons is nou tweede van onder af. Maak dus seker dat u u kruisie op die regte plek maak: langs die Nasionale Party en President FW de Klerk.**

Ons het *weer* die verskil gemaak.
