

NOW MORE THAN EVER

GIVE US PEACE IN OUR LAND

THE NATIONAL PEACE SECRETARIAT
urges all South Africans to vote and to vote peacefully.

The last stages of birth are often the most critical.

As we give birth to a new nation let us
ensure that it has the best start to life
by establishing this nation on PEACE.

Make sure that these last few days of
campaigning are peaceful.

Make sure that the election days are peaceful.

Wear something that will identify you with your
call for **PEACE IN OUR LAND**.

A blue ribbon, a peace badge, a peace T-shirt
or anything that says to the rulers of our country,

GIVE US PEACE IN OUR LAND
