

CEC Agenda
March 3, 2010, 3:00-5:00
Facilities Conference Room

3:00-3:05 Opening remarks

3:05-3:20 Biodiesel Project Proposal

3:20-3:30 Maison Verte Proposal

Only \$800 was approved, final budget is \$975

3:30-3:50 SGEA Biodiesel Facility discussion

This proposal will be resubmitted requesting ~\$20,000... where does the committee stand on this request?

3:50-4:30 Funding of Synergy

The CEC students have been organizing the Clean Energy Fair, which has the potential to expand to a multi-day event, which might as well be Synergy. We are working with other students who are forming the official Synergy group. What kind of funding can the Clean Energy Committee put towards the sustainable living conference?

4:30-5:00 Final remarks

- New CEC position: Project Director – update
- Any CEC updates
