

Clean Energy Committee Meeting Tuesday January 19, 2016 4-5PM

CEC Members Present: Yesha Maggi, Rhianna Hruska, Jonas Upman, Anna Rhoads, Stephen D'Annibale

- banner on the cheap website
- contact info for CEC could be included under the logo
- white background for the banner
- maybe include The Evergreen State College, check rules behind it first
- a banner could be ordered for tabling
- one banner would cost \$14 without shipping
- Christian has been contacted about creating more designs for CEC
- camera will be checked out from media loan for OHESC
- OHESC conference call Friday at 4PM in Student Activities
- check on hearing dates to make sure staff can attend as well
- Award Letter for pH data logger → getting signatures from Jaymie Lacina, Yesha Maggi, and Walter Niemiec
- Naming Conventions for files on the Orca Drive are set
- submit test applications (CEC)
- checking if multiple files can be uploaded
- copy sent to applicant
- whether current questions are relevant
- can archive the current SPAR and create a new one
- amendment form (to be created)
- New SPARs will be saved to WordPress site instead of Excel
- contact Andy Corn about a finance workshop
