

Clean Energy Committee Hearing February 1, 2016 3:15-4:30PM

Members Present: Alexis Cariello, Yesha Maggi, Rhianna Hruska, Jonas Upman, Anna Rhoads

3:30-4:00PM Undergraduate David Sears

The Evergreen State College Climate Change Forum

-Life Story: Grew up in Richland, WA

-has been out of the country for about 20 years

-forum idea formulated from experiences in Denmark

-state is politically divided

-used to be a journalist

-coordinated a United Nations outreach day in Ethiopia

-wrote a concept paper about the Evergreen forum

-took a 4 credit grant writing course over summer

-attended Return to Evergreen's scholarship luncheon in October

-project for about a year now, informed that faculty will need to be on board with the project as well to make sure the forum will fit academic needs

-Scott Morgan is sponsoring the ILC, John McClain is the subcontractor to the ILC

-forum is a pilot project

-looking for private funding for this event

-John McClain suggested that David talk to CEC

-Public Forum in two places at once

-looking to see if forum fits with CEC funds guidelines

-campus learning experience

-talking about clean energy

-comparing to the recent January climate change symposium

-Budget provided in the supporting documents

-has talked to Dave Cramton in the CCAM on campus

-will know in the next two weeks what part of the budget will work → still figuring out how much things will be

-interested in applying to the CEC Wednesday February 24, 2015 1:15-3PM hearing
