

Student Conduct Code DTF  
May 16, 2008

Meeting Notes

- Dianne created and shared CDs which contain a number of resource materials including course material from Crafting a Code of Conduct. She will work with Bill to generate bound hard copies for those who want them. These materials are also available on our website at <http://www.evergreen.edu/committee/studentconduct/home.htm>
- Andi Seabert Olsen and Monique Vallot reported on student conduct data from 2006-07 from RAD and Student Conduct.
- We discussed various approaches to reviewing and becoming familiar with the Model Code of Conduct and the course material from Crafting a Code of Conduct. It was determined that we would approach it as follows:
  - May 23 – Crafting a Code of Conduct
  - May 30 – Model Code (Intro, Preamble, Definitions, Authority p. 1-38)
  - June 6 – Model Code (Proscribed Conduct, Procedures p. 38-63)
- Meetings will resume the week of October 6, 2008.
