

Student Conduct Code DTF  
May 2, 2008

### Meeting Notes

We split into three groups to review sections of the current with a lens for

- What surprised us?
- What was missing?

Dianne facilitated a 20 minute discussion of the following question based on the Brett Sokolow course, *Crafting a Code of Conduct: The Art of Writing Policies and Procedures*:

- Take a look at your campus code – does it do a good job of rule/policy distinction or does it blur the lines confusingly?

Determined that we will spend one more week on the existing Code before shifting to learning about the Model Code.
