

**Weekly Assignment – week THREE**

January 21-25, 2002

**Notes:** Remember that our week 4 speaker, Carl Chatfield, will be here Tuesday, 1-3, January 29. Everyone plan to be present! Week 4 Tuesday project meetings will be January 31, at the regular times. Judy's Thursday projects will meet on Tuesday (ADAM at 3pm, PackRats at 3:20). Kate's Thursday team (Finder) will meet on Tuesday at 3:00.

Anytime after Friday 5pm, Jan. 18, you can pick up Judy's comment on your PDA1 from her mailbox outside the ACC.

Be sure to register on Web crossing if you have not already!

---

**Monday: Holiday!**

Project \* \* \* Progress Report and individual status reports due – by 8:00 am via email.  
See model for these on the web site!!! (to be posted soon!)

Seminar by 6pm: post 1-3 sentences on what (to you) is most interesting or most controversial about the reading.

**Tuesday:**

Seminar Read *Extreme Programming Explained*. Judy's seminar gather first in Kate's classroom.  
Paper Assignment: Everybody hand in a topic idea for your paper (3 paragraphs): 1) statement of topic, 2) why it fits with the program and seminar themes, 3) what reading and other references apply.

Projects Be sure to come to project meetings with an agenda (issues), with individual and team status reports (hardcopy). **No meetings with Judy this week.**
