

Project Management Assignment 4

Due Wednesday February 6th 10:00 am

Use the team communication exercise we did on Wednesday 1/30.

Write a paper that answers the following questions:

How easy or difficult was it for your team to communicate the arrangement using only verbal communication? Did you use any strategies for describing the arrangement, remembering what you had already described, and communicating changes? What went well on this exercise, what didn't go so well, and what were the lessons learned?
