Final Assignment

In lieu of a final exam, hand in a project notebook. In a separate section, include all previous assignments. You will be evaluated on how well you demonstrate your understanding of the key concepts of information architecture in addition to neatness, effort and comprehensiveness, rationale behind design, and completeness. If handling in this project as part of a team, include a statement as to how you divided the work.

Include the following final copies:

- 1) Statements of Goal, Scope, Criteria for Success, Features for Future Releases**
- 2) Critique of existing web site** (if applicable)
- 3) User Profiles**
- 4) User Tasks**
- 5) Site Map**
- 6) Homepage Schematic**
- 7) Navigation Scheme**
- 8) Specifications for New Content** (if applicable)
- 9) Added Functionality** (if applicable)
- 10) Layout of interior page – with interior navigation** (optional)
