

*Student Originated Software***OO Analysis & Design (OOAD) Case Study Assignment 2**

Fall 2001

Due Thursday, Oct. 4 (2 p.m.)

To complete your project assignment for EU-Lease, follow the same Steps that you were given for the EU-Bid Workshop 2, but using the appropriate sources for EU-Lease, provided here.

Steps

- (1) Discover entity classes**
- (2) Define attributes of entity classes**
- (3) Establish associations between entity classes**
- (4) Draw the domain model diagram**
