

IES Field Trip Information

Here's a brief schedule of the logistics involved in the field trip.

Wednesday, October 16th

Make sure you have given the food committee \$25 cash for food.

Make sure you have paid \$21 to the Cashier's Office and have given Sharon the receipt. The cashier will not be open Monday morning before we leave!

Miscellaneous information

- You'll need to bring a bag lunch on Monday. Make sure you have it accessible in the van with you.
- If you haven't found tent space, you can borrow a tent from The Outdoor Program free of charge. Go to the equipment check out room of the Campus Recreation Center and tell them you are in IES.
- We will be camping at Maryhill State Park on the Columbia River. In case of emergency, your family can reach you at 509-773-5007.
- More information about facilities at the campsite can be found on-line at www.parks.wa.gov.
- If you are interested in having a campfire, you'll need to bring wood because there isn't any available at Maryhill.
- Be sure to follow the equipment list we handed out week 1. You'll need a sleeping bag, tent, and lots and lots of warm clothes. You'll be warmer with a sleeping pad as well, but it's not mandatory. Also, be sure to bring rain gear.
- Bring this itinerary on the field trip!

*******BRING A WATCH AND ALARM CLOCK SO YOU CAN BE ON TIME TO ALL GROUP EVENTS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

Monday, October 21st
