Dear Parents,

My name is Jennifer Soderberg, and I am currently a paraeducator for the TEACCH Program here at LP Brown Elementary. I am also enrolled in a part-time program at The Evergreen State College entitled Art, Environment, and the Child. As part of my work within that program, I have been observing and assisting in Maribeth Simmons' afternoon kindergarten class.

I will be leading an activity on Monday, November 21, 2005 regarding plants and leaves in Mrs. Simmons' class as part of my college work. I would like to take photographs of the children being a part of this activity. I would like to request your permission to use these photographs as a visual for a presentation I am required to do for my fellow classmates and faculty at The Evergreen State College. The photos will be used for that presentation only.

If that is acceptable for you, please fill out and sign the attached permission slip and send it back to Mrs. Simmons by Wednesday, December 3, 2005. Thank you for your time. It has been a pleasure working with your student.

Regards,

Jennifer Soderberg
