### Assignment #3

#### *The Constructed Image*

This assignment is about concept and control. Design, plan, and construct the scenic elements in your pictures. You may work on any scale. The subject and theme is completely open. *The secret to this assignment is to give it thought ahead of time. Know what your intentions are. Take notes.*

The image must be narrative and tell some kind of story.

**DUE Friday, April 23: contact sheets, at least 3 8x10's (all can be variations of the same concept)**
