

Community Service Contract

Arts and the Child

The Evergreen State College

Autumn 2004

Each student enrolled in the Arts and the Child program is required to do a total of 10 hours of Community Service. Students are expected to initiate contact with a school, pre-school, or child-care center they are interested in working with, and to find a field supervisor in that organization. Contracts signed by both the student and field supervisor need to be returned to faculty by Saturday, October 23.

Field supervisors will be responsible for assigning work to the student, assessing their progress and writing a one-paragraph evaluation of the student's work to faculty by Dec. 12, 2004. Evaluations may be emailed to:

Hirsh Diamant, diamanth@evergreen.edu

To Field Supervisor:

Thank you for providing an opportunity for our students to contribute to the good work that you and your school is doing. If you have questions about the program or what is expected of students, feel free to contact Hirsh Diamant at 867-6736.

Thank you.
