

GARDENS OF LIGHT

An outdoor show of illuminated 3-D constructions celebrating
Lunar and Solar New Years,
Festivals of Light, Culture, and Nature

December 5, 2008 – February 5, 2009
The Evergreen State College, Red Square, Olympia, WA

Gene Walker, "Octopus"

Students and faculty of the Evergreen core program Living in the Sacred Garden will
curate the show with artist Gene Walker.

Interested artists and community groups are welcomed to submit proposal for installation
of their work in the Gardens of Light by November 17, 2008.
